PRINCIPAL'S REPORT BUILDING NEWS

On Monday I met again with our architects and department representatives from the Building and Infrastructure Division to go over the next phase of our planning for the new school buildings. Overall they look very exciting, with a new hall/gymnasium being built first, along with major modifications to the building where Foundation-Year 2 students are currently in. Unfortunately, this does not come with a promise for new buildings, we will have to wait until the state budget in May to find out for sure. Plans will be on display near the office soon.

ATTENDANCE

Thank you to all those students who have made a great effort to be at school every day!! We appreciate this, as you will too in the coming years.

PARENT PAYMENTS

I know that it can be difficult for parents with payments sometimes, especially if you have more than one school aged child. If this is the case, please come to the office and we are happy to work out a payment plan for you. Discounts are still valid for school fees paid before the end of term.

HARMONY DAY

Wednesday 22nd March was our annual Harmony Day, and wasn't it a great day for everyone? We had cultural games, food, musical performance and a mini concert. I would like to thank all the students for dressing up in costumes, the teachers for organising all the activities, and **Mrs Braganza** for putting it all together, and having the ideas. Days like this are wonderful for our community. It was also wonderful to see so many parents coming to the performance and the concert. Thanks to those who made the effort to do this. It strengthens the relationship between school and home.

FINAL DAY OF TERM 1

It seems strange that we are thinking about the final day of term already! School will finish on Friday 31st March at 2.30, and resume on Tuesday 18th April (Monday 17th is Easter Monday). We will have an assembly on Friday 31st March starting around 2.00. Traditionally we give out awards at the final assembly for the term. Parents and friends are welcome to attend.

LATE STUDENTS

Students who are late to school are coming to the office to sign themselves in. This is neither safe, nor appropriate. It is school policy that parents sign their children in at the office if they are late for school for any reason. Please come to the office and Miss Pauline will help you with our new sign-in procedures. Signing your children in makes sure that both the school and parents know their children have come into school and are safe.

MR. RICHARD LLOYD
Principal

DATES TO REMEMBER

Friday 31st March
End of Term 1
School Finishes 2:30

Tuesday 18th April
Start of Term 2

Interschool Summer Sports Result
