## PRINCIPAL'S REPORT

### MISS NICOLE NEWEY

The Westall community was devastated last week to learn of the sad passing of Miss Nicole Newey, a teacher here for 10 years. Over that time, she held a variety of roles including teaching years 1/2, followed by 3/4, and Foundation, then a few years as school librarian. Miss Newey was a much-loved staff member, colleague and teacher at our school and will be greatly missed by all. Last week at assembly, we had some beautiful tributes and memories from different grades, and they all focused on what a kind, caring and interested person she was, who loved books and passed on that to the students. We also heard at her funeral that she was a gifted athlete, especially in the fields of running and basketball. Nicole will be missed by the whole community.

### BUILDING NEWS

At a recent building meeting, there was great positivity about the plans and the chances of being funded in the 2018 State Budget. The good news is that we are continuing the planning process as if we had been funded this year. Many schools that missed out have not been approached to continue this. The Hub building is very near completion and they expect late June or mid-July for this to be finished. The Library will be the first area opened, with a "Grand Opening" scheduled for later in the year. Kinder is scheduled for opening in September at this stage.

### EDUCATION WEEK

Education Week activities will be re-scheduled for some time early in term 3 at this stage. We will let you know of times, dates etc closer to the date.

### FOUNDATION UNIFORMS

Parents of students in Foundation who receive CSEF payments should soon be receiving an offer from the state government for free winter uniforms. The offer includes shoes, track pants, shirt or windcheater or jacket. Please return the forms by the end of May. This offer is only available to parents who are CSEF recipients unfortunately.
